Dear Yufei Zhou,

I am writing to congratulate you on your admission to Duke University's M.A. program in Economics. The applicant pool was extremely competitive this year, and your ranking as one of our top applicants reflects our high regard for your achievements and potential.

In recognition of your achievements, you have been chosen to receive a 2024 Duke Economics Master's Scholar Award. This award will cover 10% of tuition per semester. The Economics Department is committed to providing this level of funding to support your study up to four academic terms. This offer supersedes any previous offers.

This offer of funding is contingent upon you remaining in good standing in our program and your successful progress toward the M.A. degree. If you receive external funding, your tuition waiver may be reduced.

Please indicate your acceptance of this award by signing this letter in the space below and returning it via email to the M.A. administrator email, [ma-assistant@econ.duke.edu](mailto:ma-assistant@econ.duke.edu) by no later than April 15, 2024. For international students, make sure to include a copy of this letter with your I-20 application.

Sincerely,

Nelson Sa  
Director of Graduate Studies, MAE Program  
Assistant Professor of the Practice, Economics
